Description

The Milan compact stapler is an essential office tool for stapling documents quickly and easily. With an ergonomic design and force reduction, this stapler reduces the effort required to staple up to 20 sheets at a time by 30%. Its blue plastic body in acid edition gives it a modern and striking touch, while its snap button makes it easy to reload staples. In addition, it has a staple viewer and a metal unstapler piece on the back for greater comfort. With capacity for 24/6 and 26/6 staples, this stapler has a loading capacity of approximately 70 staples, making it a practical and efficient option for any work environment.
