Description

The Wolfcraft Multifunctional Easel with Support and Roller (6102300) is a versatile and practical tool for supporting and moving long boards and plates during carpentry work. Its height-adjustable frame fits conventional machine benches, while its 300mm wide fixed support provides additional support surface or holds long workpieces. The ball supports allow for comfortable movement in all directions, and by rotating the support, it can be changed to the roller support to facilitate longitudinal guidance. Additionally, this easel is foldable for compact storage when not in use.

- Versatile multifunctional work easel
- Height-adjustable frame
- Stand fixed 300 mm wide
- Ball supports for movement in all directions
- Roller support for longitudinal guidance
- Foldable for compact storage
