### Description

The Cuta White wall fan presents an effective solution for ventilation in small spaces. Its modern and functional design, complemented by a white finish, allows it to integrate harmoniously into various environments. With a power of 50W, this fan not only guarantees optimal performance but also prioritises comfort and energy efficiency.

- **Power:** 50W, sufficient to generate a constant and refreshing airflow in limited spaces.
- **Remote control:** Facilitates the operation of the fan from any point in the room, enhancing user comfort.
- **Oscillating function:** Allows for uniform air distribution, optimising circulation throughout the room.
- **Timer:** Ability to programme automatic shutdown, contributing to more efficient energy use.
- **Compact design:** Dimensions of 53x43x30 cm, ideal for locations with limited space without

compromising functionality.

- **5 transparent blades:** Provide a smooth and silent airflow, while also offering an elegant aesthetic to the device.
