Description

This DC Jet fan is an elegant and functional option to keep your home cool and well lit. Its white metal, ABS and polycarbonate design gives it a modern and sophisticated touch, while its three beech-colored blades offer a warm and welcoming contrast. Featuring a powerful DC motor, this fan features six adjustable speeds to suit your cooling needs. In addition, its built-in LED technology offers a power of 20W and 3 light temperatures (3000-4000-6500K) to create different environments in your home. With 2350 lumens, this fan guarantees efficient and effective lighting.

- **Measurements:** 40/50X121X121 cm

- **Materials :** metal, ABS, polycarbonate
- **Blades:** three beech-colored blades
- **Motor:** DC
- **Speeds:** six adjustable speeds
- **LED technology:** 20W power, 3 light temperatures (3000-4000-6500K), 2350 lumens
- **Additional functions:** Summer or winter air control, remote control included with built-in color memory and timer 1/2/4 H
- **Available in other colors:** Black-Oak

In addition, its Measurement of 40/50X121X121 centimeters makes it suitable for different ceiling heights, and it comes with two post sizes that allow you to adapt it to your needs. Whether you need to cool a large room or a smaller one, this fan guarantees optimal performance.

In short, the DC Azabache fan is a versatile and modern option to keep your home cool and well lit. With its sleek design and cutting-edge technical features, this fan is a must-have addition to any home.
