Description

The Cape Medium White table fan is the perfect solution to cool any space, whether at home or in the office. With its compact and elegant design, this fan is the ideal combination of style and functionality. Measuring 47.5x34x20cm, this fan fits perfectly on any desk, table or nightstand, providing refreshing airflow without taking up too much space. Additional technical features: - **Power:** With 35w of power, this fan is capable of generating a constant and refreshing air flow. - **Adjustable speed:** With 3 different speeds, you can easily adjust the intensity of the airflow to suit your needs. - **Oscillating:**

The Cape Medium White fan is oscillating, meaning it can move from side to side to distribute air evenly throughout the room. - **Elegant design:** With 3 white blades, this fan has a modern and elegant design that complements any decoration style. - **Easy to Carry:** Thanks to its compact size and light weight, this fan is easy to transport from room to room as needed. With its silent operation, this fan is perfect for use in the bedroom, office or any other space where you need a flow of pleasant, cool air. In addition, its modern and discreet design makes it a perfect complement to any environment, adding a touch of style and elegance to any space. Whether you're looking for a solution to stay cool during hot summer days or simply want to improve air circulation in an enclosed space, the Cape Medium White Table Fan is a versatile and reliable option that suits your needs. Don't settle for a conventional fan, choose the Cape Medium White table fan and enjoy a refreshing and elegant air flow anytime, anywhere. Pleasing your needs, this fan is the perfect choice to maintain the pleasant temperature of any environment.
