Black LED ceiling fan 35w 3200lm cct

Brand: CRISTALRECORD

Reference: CR 85-033-36-008

Batán LED ceiling fan for modern living rooms.

Black fan designed to be installed in medium-sized living rooms and dining rooms. The blades remain collected, unfolding only when the fan is operating. By having a six-speed DC motor, the fan emits minimal noise when providing air flow in the room. You can dim the lumen intensity and select between three color temperatures to create the perfect lighting at all times.

This fan has SMART technology to control its functions from your tablet or smartphone with the Tuya app Smart.

Assembly and installation of the BATÁN ceiling fan:
