Emergency LED magnetic beacon

Brand: CRISTALRECORD

Reference: CR SR-CAR-SOS

Approved magnetic emergency beacon, complies with the new DGT regulations.

It has yellow emergency flash light and white light of two different intensities to use as a flashlight. Very useful to place on the car body and illuminate at night while changing the wheel. In addition to being magnetic, it has a hanger to hold it in case you do not have a magnetic surface to place it.

It works with three AAA batteries not included.
