Roll 100M Flexible Cable (1x2.5mm) Gray

Brand: GSC

Reference: GSC 003902950

The **100M Roll of H07Z1-K** Flexible Cable of **1x2.5mm** in gray is an optimal solution for electrical installations in buildings and civil engineering works. This cable, with an insulation of **0.7KV** and a fire reaction classification **Cca-s1b, d1, a1** according to CPR regulations, guarantees safety and durability in its application. Manufactured with **copper conductive material**, it ensures excellent conductivity and flexibility, facilitating its installation in different environments. Its shrink-wrapped packaging keeps the cable protected and organized during transport and storage.

- **High Security:** CPR Cca-s1b, d1, a1 classification for maximum fire safety .
- **Flexible and Durable:** Ideal for installations that require high quality material and adaptability.
- **Copper Conductive Material:** Excellent electrical conductivity assured.
- **Versatile Applications:** Suitable for electricity in buildings and civil engineering projects.
- **Practical Packaging:** Presentation in a 100M roll, shrink-wrapped packaging for optimal protection.

Description

The **H07Z1-K** Flexible Cable Roll of **1x2.5mm** in gray is essential for professionals who seek quality and safety in their electrical installation projects. Its flexible design facilitates handling and installation in complex spaces, being ideal for passing through pipes or channels within residential, commercial or civil infrastructure structures. With an insulation resistance of **0.7KV**, this cable is prepared to withstand

common voltages in domestic and industrial installations, minimizing the risk of electrical failures.

In addition, the **classification>CPR Cca-s1b, d1, a1** certifies its low emission of smoke and toxic gases and no fall of droplets or ignited particles, contributing to a safer environment in the event of a fire. This commitment to safety makes the H07Z1-K cable a preferred choice for installers and builders conscious of complying with the strictest safety and quality regulations.

Specifications

Colour	Grey
EAN	8429642131071
Halogen-free	Yes
Material	Copper
Cable cross-section (mm²)	2.5
