Roll 100M Flexible Cable (1x2.5mm) Brown

Brand: GSC

Reference: GSC 003902951

The **H07Z1-K** Flexible Cable Roll of **1x2.5mm** in brown offers an effective and safe solution for electrical installations, both in buildings and in construction projects. civil Engineering. Its **0.7KV** insulation and the **Cca-s1b, d1, a1** fire reaction classification, in accordance with CPR regulations, ensure optimal performance with high protection. Manufactured with a high quality **copper core**, this cable guarantees excellent conductivity and flexibility, making it easy to install. Presented in a roll of **100 meters** and shrink-wrapped packaging, it remains protected and organized, ready for any application.

- **Optimal Security:** Classification CPR Cca-s1b, d1, a1 for advanced protection against fire.
- **Copper Conductor:** Ensures superior electrical conductivity.
- **Flexible and Easy to Install:** Ideal for various electrical applications.
- **Versatile in Use:** Perfect for residential, commercial and civil engineering projects.
- **Practical Packaging:** 100M roll for efficient material management.

Description

The **H07Z1-K** Flexible Cable Roll of **1x2.5mm** in elegant brown color is the preferred choice for professionals who value quality and safety in their electrical projects . Its ability to withstand voltages up to **0.7KV** and its classification according to CPR regulations make it a reliable component for any installation, offering exceptional fire resistance and reduced emissions of smoke and toxic gases. p>

This cable has been designed to be flexible, facilitating its use in a wide range of applications, from installation in indoor conduits to power distribution in more complex environments. Its copper core not only provides excellent efficiency in electricity transmission but also guarantees a long lifespan of the cable.

Specifications

Colour	Brown
EAN	8429642131095
Halogen-free	Yes
Material	Copper
Cable cross-section (mm²)	2.5
