Description

The **Standard Series 2-Outlet Power Strip** provides an ideal combination of functionality and design. This switchless model keeps power flowing continuously to your devices, and its 3 meter cable length gives you great freedom to place it where it suits you best. The H05VV-F cable type is known for its strength and reliability, and the 3x1.5mm section ensures efficient power transmission for your everyday devices.

- **Type of cable Plug:** Compatible with 2P+TT side, suitable for most devices.
- **Intensity:** 16A, ideal for high consumption devices.
- **Material:** Manufactured with quality components that ensure durability.
- **Voltage and Frequency:** 250V and 50Hz, in accordance with European standards. li>

- **Practical Design:** No switch for uninterrupted power supply

Specifications

Rated current (A)	16
Colour	White
EAN	8433373075238
Length	3 metros
Weight (kg)	0,397
Battery included	No
Maximum power (W)	3680W
Cable cross-section (mm²)	3x1.5
Nominal voltage (V)	230V
Colour temperature	6000K, 3000K, 4000K
