2T Standard Series multiple base with switch (3x1.5mm) 3M White

Brand: GSC

Reference: GSC 100005020

The Standard Series 2-Outlet Multiple Base with Switch combines functionality and safety in a compact and elegant design. Ideal for spaces requiring limited but safe electrical extension, this power strip is perfect for the home or office. With a **maximum power of 3680W** and **2 power outlets**, it offers the necessary flexibility to connect electronic devices and small appliances. Its white color blends discreetly into any decoration.

- **Maximum Power of 3680W**, capable of supporting the operation of high-consumption devices.
- **2 power outlets**, providing an efficient solution for limited connection needs.
- **3M long cable**, offering great flexibility to position the base where it is needed.
- **Cable type H05VV-F** with 3x1.5mm section, ensuring durability and safety in the power supply.
- **Intensity of 16A and Voltage of 250V**, suitable for a wide variety of electrical devices.
