Cercis oval LED wall light with grille 15W 6500K White

Brand: GSC

Reference: GSC 200205001

The **Cercis LED Oval Wall Light with Grid 15W IP65** is characterized by its robustness and luminous efficiency, offering up to **1860 lumens** in a **color temperature of 6500K** (cold light). This wall light is ideal for environments that require bright and clear light, being perfect for both outdoors and indoors thanks to its **IP65** protection against dust and water. With an elegant white design and an oval shape, it adapts perfectly to any environment, improving the visibility and safety of residential or commercial spaces.

- **15W power** for powerful and efficient lighting.
- **IP65 protection**, ensuring durability against adverse environmental conditions.
- **115° opening angle** for a wide and uniform distribution of light.
- **Immediate start-up**, with full light in less than 0.5 seconds.
- **25,000 hours of useful life**, for a long period of maintenance-free service

Description

The **Cercis LED Oval Wall Lamp with Grid** is a lighting solution that combines functionality with contemporary design. Made of **PC + ABS**, this wall light not only offers resistance and durability, but also a modern and attractive style. The 6500K cool light is ideal for creating clear and stimulating environments, suitable for work areas, outdoor hallways, or as security lighting. The removable grille allows you to modify the light dispersion according to specific needs, while the **easy connection** feature facilitates quick and hassle-free installation.

- **Adjustable luminosity** between 950Lm with diffuser and 1860Lm without diffuser, to adapt to

various lighting needs.

- **Color temperature of 6500K**, providing a cold light that improves the concentration and visibility.
- **Removable grille**, offering versatility in the way the light is projected.
- **Easy installation**, thanks to its quick connection system.
- **Adaptable to temperatures from -20°C to +45°C**, guaranteeing optimal performance in any season.

Specifications

Colour	White
EAN	8433373000414
Measures	123x213x54mm
Weight (kg)	0,336
Battery included	No
Colour temperature	6500
