Description

The **Kisongo LED Panel** of **36W** is an innovative lighting option that combines efficiency, design and advanced technology. This panel is perfect for those looking for a practical and efficient solution, offering superior quality light with a wide opening angle of **120°** and a color temperature of **6000K** that provides a cold light ideal for creating concentrated and invigorating environments.

- **Energy Efficiency:** With consumption reduced to 32.4W in mode without diffuser, it maximizes energy savings. li>
- **Adaptable to Various Environments:** Its working temperature of -20°C to +50°C makes it versatile for different environments.
- **Light Quality:** CRI (Ra) ≥80, it ensures faithful and natural color reproduction.
- **Immediate On:** Ability to reach 100% light in less than 0.5 seconds .

- **Ease of Installation:** Designed to be mounted directly on any surface, eliminating the need for recessing or complex installations

Specifications

Opening angle	120º
Colour	White
Cri (Ra)	80
EAN	8433373076303
Material	Aluminio
Weight (kg)	1,757
Battery included	No
Protection	IP20
Type of installation	Surface
Colour temperature	6000
Estimated life (h)	30000
