Description

Enjoy efficient and long-lasting lighting with the Kisongo LED panel. This surface-mounted LED panel offers powerful 2600 lumens of illumination without a diffuser, ideal for illuminating spacious rooms. Its 6000K cold light creates a fresh and modern atmosphere, while its compact and minimalist black design blends harmoniously into any decoration.

- 24W power with luminous flux of 2400 lumens with diffuser
- 120° opening angle for uniform lighting
- 100% instant on and flicker-free dimming
- Color rendering index CRI ≥80 for natural colors
- Resistant aluminum body and polycarbonate (PS) diffuser
