Leveling clip 1.5 mm 300 pcs

Brand: COFAN

Reference: COF 09100015

Achieve perfect leveling on your siding projects with our professional Leveling Clips. Precision engineered to ensure proper spacing between liner joints, these clips are manufactured from polypropylene, ensuring durability and strength. This leveling system is easy to use. Place the clips near each corner of the siding pieces and complement them with our leveling shims (sold separately). This set ensures uniform separation and keeps each of the pieces equidistant. Making leveling easier and significantly reducing work time, our clips are ideal for use on floors and pavements, as well as larger coverings. Avoid unwanted shifting of the tiles during the adhesive setting, guaranteeing professional results on each project. Once the adhesive has set, easily remove the leveling shims by tapping the leveling clips with a rubber hammer. Available sizes: 0.5 mm, 1 mm, 1.5 mm, 2 mm and 3 mm. Each bag contains 300 units of leveling clips, ensuring an adequate supply for projects of any size.

- Measurement: 1.5 mm
- Color: Blue
