Description

The inspector™ 500+ flashlight is an essential tool for any professional who needs powerful and versatile lighting. With 500 lumens of power, this pencil flashlight is rechargeable and waterproof, making it ideal for outdoor use. Its expandable area light and 4 light modes allow it to be adapted to different situations, while its Flex-Power technology gives it the flexibility to operate with rechargeable or AAA batteries. Equipped with a magnetic base and steel clip, the Inspector™ 500+ flashlight is easy to carry and use in any environment. Whether in a professional work environment or outdoor activities, this flashlight offers exceptional performance and unmatched durability.
