Description

Nebo compact rechargeable 2k torchy flashlight is a powerful pocket light that offers bright and versatile lighting in any situation. Equipped with 5 light modes, this flashlight is perfect for daily use, outdoor activities or emergencies. Its compact, water-resistant design makes it ideal for taking anywhere, and its detachable two-way clip allows for convenient transport and hands-free lighting. With a power of up to 2000 lumens in turbo mode, the torchy 2k guarantees exceptional visibility at long distances. In addition, its magdock USB rechargeable battery and smart power control make it easy to use and maintain. Whether in high, medium, low or strobe mode, this flashlight offers optimal performance and a duration of up to 30 hours in low mode. Don't be left without the torchy 2k flashlight to illuminate your adventures!
