Description

The Gardena SD30 Pop-up Sprinkler is the perfect solution for watering areas of up to 30m² efficiently and precisely. With an adjustable irrigation distance from 1.5m to 3m, this sprinkler offers an ergonomic design that makes it easy to handle. Its standard ½" female thread allows for easy connection, while its spray pattern adjustment from 5 to 360° provides versatility in water distribution. In addition, it has an integrated filter that protects the system from dirt, guaranteeing optimal operation over time.
