Description

Alpen Hss Pro drill bit set 6 pieces

- Application: Precision ground twist drill bit with special cross point, close tolerances and high concentricity accuracy. For processing alloy and non-alloy steel.

- Main characteristics:

- Small tolerances and high concentricity precision.

- Precision ground.

- High quality steel.

- Use time twice as long.

- Even faster with the sharp cross tip.

- Those who know their trade will appreciate a high-quality tool that offers perfect results. We refine our innovations to help you achieve faster and better drilling results for longer. This refinement has also paid off with the new ALPEN Pro. In addition to having a reduced cross section and an optimized rib, it also features a 135 degree point angle with a C-point grind. Even faster drilling times and a bit that will keep twice as long as the others. For all these reasons, the ALPEN Pro becomes the proven tool you can always rely on.

Specifications

High	3
Width	7
EAN	9002741163328
Manufacturer	ALPEN
Long	17cm
Measures	2x7x17 cm
Weight (kg)	0,118
Depth	17
