Silver tin ONLEX 2mm 100 grams

Brand: ONLEX

Reference: ALFA 27034

ONLEX Silver Tin 2mm 100 grams

ONLEX Silver Tin is ideal for soft soldering copper pipes and fittings. With a 3.5% silver content, it guarantees excellent conductivity and resistance. Its presentation in a reel makes application easy, ensuring clean and efficient work. It complies with ISO EN 9453 and the RoHS directive, offering safety and quality in every use.

- Diameter: 2mm
- Weight: 100 grams
- Composition: 3.5% silver
- Regulation: ISO EN 9453
- Directive: RoHS
- Approval: Alloy 402
- Application: Copper pipes and fittings
- Presentation: Reel

Description

ONLEX Silver Tin 2mm 100 grams: The Ideal Solution for Quality Soldering

The **ONLEX Silver Tin** is the perfect choice for those looking to perform soft soldering on copper pipes and fittings with maximum efficiency and quality. This product stands out for its unique composition that includes 3.5% silver, which guarantees excellent conductivity and resistance in each application. The presence of silver in its composition not only improves electrical conductivity, but also provides greater durability to the soldered joints, ensuring superior performance in each project.

With a diameter of 2mm and a weight of 100 grams, the **ONLEX Silver Tin** is presented in a practical

reel that facilitates its handling and application. This presentation allows for clean and efficient work, reducing material waste and ensuring that each weld is precise and of high quality. In addition, the product complies with the **ISO EN 9453** and the **RoHS** directive, ensuring that it is safe for the user and environmentally friendly.

- **Diameter:** 2mm
- **Weight:** 100 grams
- **Composition:** 3.5% silver
- **Regulation:** ISO EN 9453
- **Directive:** RoHS
- **Approval:** Alloy 402
- **Application:** Copper pipes and fittings
- **Presentation:** Spool

The approval as **Alloy 402** ensures that the product is safe for the user and environmentally friendly.

ONLEX Silver Tin meets the highest quality standards, offering reliable performance in every use. This product is ideal for professionals and hobbyists looking for impeccable results in their soldering projects. Its application on copper pipes and fittings makes it an essential tool for any job requiring precision and durability. With **ONLEX Silver Tin**, every weld is a guarantee of quality and efficiency.

Specifications

High	10, 00
Width	9, 00
Colour	Tin
EAN	8425160270346
Manufacturer	ALFADYSER
Long	11, 00
Material	Estaño/Plata
Weight (kg)	0, 26025
Depth	#iREF!
