Description

STEIN Gouge Set 170mm - 6 Pieces

The **STEIN Gouge Set** is the perfect choice for those looking for premium quality tools for their wood carving projects. Designed with precision and durability in mind, this set of gouges offers everything a craftsman or hobbyist needs to take their creations to the next level.

Featuring ergonomic wooden handles, each gouge provides optimal grip, allowing for complete control during the sculpting process. Comfort is key when working on detailed projects, and the design of these handles ensures that you can work for hours without fatigue. Additionally, the cutting blades are constructed from high-strength carbon steel, ensuring exceptional performance and long life. Not only does this material offer excellent cutting ability, it also stays sharp longer, reducing the need for frequent sharpening.

The set includes **6 assorted pieces**, each measuring 170mm in length, providing versatility to tackle

different types of cuts and details in wood. Whether you're working on a large project or minute details, this set has the right tool for every task. The variety of blade shapes and sizes allows for coarse to fine cuts, adapting to the specific needs of each project.

Ideal for wood carving, the **STEIN Gouge Set** is an investment in quality and performance. Its ergonomic design and high-quality materials ensure that each piece is a natural extension of your hands, making it easy to create masterpieces in wood. Discover the difference a well-designed tool set can make and experience the satisfaction of working with gouges that truly understand your needs as a craftsman.
