Mery Madera LED ceiling light 24W 2420lm 3CCT Dim

The Mery Madera LED ceiling light is the perfect solution for the functional lighting of interior spaces. With its ultra-thin design and easy installation directly on the ceiling, this circular surface ceiling light offers three color temperatures (3000-4000-6500K) and three light intensities (10-50-100%) to adapt to any environment. Its wood-colored aluminum frame and acrylic diffuser give it a modern and elegant look, while its 24W power and 2420lm luminous flux guarantee efficient and quality lighting. In addition, the possibility of changing the color temperature at the time of installation and the light intensity by pressing the wall switch make this ceiling light a versatile and practical option for any space.
