## Description

**WorkPro 150mm Adjustable Wrench**

The WorkPro 150mm adjustable wrench is designed to provide resistance and durability in your adjustment and fixing work. Made from chrome vanadium steel, this tool offers greater resistance while being chrome plated to protect against rust and corrosion. Its ergonomic two-material handle provides a comfortable and secure grip, allowing you to work with greater comfort and precision.

- 150mm length for precise fit
- Chrome vanadium steel construction for added strength
- Chrome plated for rust and corrosion resistance
- Dual-material comfort grip handle (162x50x16mm)
- Perfect for adjustment and fixing work on different projects
