Description

WorkPro 180mm Diagonal Cutting Plier

The WorkPro 180mm diagonal cutting pliers is a high quality and durable tool, ideal for cutting cables and wires with precision and ease. Its ergonomic design and bi-material handle guarantee a comfortable and secure grip, while its Ni-Fe coating provides greater resistance and durability. With a handle 30% wider than conventional pliers, this model offers greater comfort during use. Available in an attractive blue and red color, the WorkPro diagonal cutter is the perfect tool for professionals and hobbyists looking for exceptional performance in their projects.

- Length: 180mm
- Material: Forged carbon steel
- Ni-fe coating for greater durability
- Bi-material handle with comfortable grip
- 30% wider handle for greater comfort
- Color: Blue and red
