Description

WORKPRO 250mm Adjustable Wrench

The WORKPRO 250mm adjustable wrench is designed to provide resistance and durability in your adjustment and fixing work. Made from chrome vanadium steel, this tool offers greater strength while being chrome plated to protect against rust and corrosion. Its two-material comfort grip handle allows you to work safely and comfortably, without slipping during use. With dimensions of 263x74x21mm, this adjustable wrench is ideal for a wide variety of tasks at home or at work.

- 250mm length to adjust to different sizes
- Chrome vanadium steel construction for strength
- Chrome plated for rust and corrosion resistance
- Dual material comfort grip handle
- Dimensions of 263x74x21mm
