Description

Ideal Pro Cellfast Steel Rake, made entirely of steel, is a high quality and durable gardening tool. Its 155 cm long handle has a safe touch system for greater safety and grip, making it comfortable to use for long periods of time. The 37 cm work surface with 14 tines allows for efficient collection of leaves, branches and other garden debris.

- Material: Steel
- 155 cm handle with safe touch system
- 37 cm work surface with 14 tines
- High quality and durability
- Perfect for collecting leaves and branches in the garden
