Description

Aroa White Wall Clock 30d Continuous Movement

The Aroa Wall Clock in black and white is a modern and elegant piece for any interior space. With a design of straight lines and black numbers on a white dial, this watch stands out for its contemporary style. Made of glass and polycarbonate, it has quartz technology and silent operation thanks to its continuously moving hands. It works with 1 AA alkaline battery (not included) and has dimensions of 30x30x4 centimeters. Recommended for home use, this wall clock is easy to install on a surface and has CE and recycling certificates. Don't miss your chance to add this unique clock to your home!
