Description

Hera White Wall Clock 30d Continuous Movement

The Hera Wall Clock in white is an elegant and simple piece, perfect for any interior space. With a minimalist design of straight lines, this watch stands out for its white dial with black hour marks that allow you to easily distinguish the time. Its quartz technology guarantees silent operation, while its hands have continuous movement for an accurate reading. With dimensions of 30x30x4 cm, this clock is made of glass and polycarbonate, which makes it light and resistant. It runs on one AA alkaline battery (not included) and is recommended for home use. CE and recycling certified, it is an eco-friendly option for your home.
