Description

Hera Silver Wall Clock 30d Continuous Movement

The Hera Wall Clock in silver is an elegant and simple piece, perfect for any interior space. With a minimalist design of straight lines, the white dial with black hour markings allows you to easily distinguish the hours and minutes without the need for numbers. Its quartz technology guarantees silent operation, while its hands have continuous movement for an accurate reading. With dimensions of 30x30x4 cm, it is made of glass and polycarbonate, which makes it light and resistant. Requires 1 AA alkaline battery (not included) and is recommended for indoor home use. CE and recycling certificate.
