Description

Vertical Ceramic Fan Heater 2000w Gold Oscillating

The Vertical Ceramic Fan Heater in gold color is the perfect solution to heat any room quickly and efficiently. With 2000 watts of power and an adjustable thermostat, it offers two heating levels (1000W and 2000W) and three functions: fan, warm air and hot air. Its compact and modern design, made of polycarbonate, includes a remote control and 1-12 hour timer. With triple safety system, overheating protection, anti-tip switch and protective grille. In addition, it is oscillating and has an LED display and power indicator light. Ideal for indoor home use, this fan heater is portable and low noise, ensuring a warm and comfortable environment at any time.
