Description

The Wall Clock from the GRENOBLE series in BEECH/NATURAL color is a unique piece that combines materials such as wood, textile and glass to create a timeless and original design. Its wooden structure perfectly complements the natural raffia dial, creating a decorative composition that harmoniously mixes colors and textures.

With brown numbers and hands, this clock has Quartz technology and silent operation, thanks to the fact that its needles have continuous movement. It works with 1 AA alkaline battery (not included) and has dimensions of 40x40x4.5 centimeters. In addition, this series offers two different sizes to choose from, allowing it to be adapted to different spaces and needs.

Recommended for indoor use, this wall clock is ideal for adding a touch of style and elegance to any room. Its careful design and high-quality finish make it an essential piece for those looking for a functional and sophisticated decorative element.
