Wall Clock from the CORIFE series in WHITE/BEACH color. Made of polycarbonate, ABS and glass, this clock has an original and elegant design that imitates old clocks but also adapts perfectly to new decorative trends such as Vintage or Industrial. Its numbers, moving gears and designer hands stand out, creating a very decorative and eye-catching composition. With Quartz technology, the hands have continuous movement for greater precision in time. It works with 3 AA alkaline batteries (not included) and has dimensions of 40x40x7 centimeters, which makes it a large decorative element that will not go unnoticed in any interior space. This wall clock is ideal for home use and surface installation is recommended. In addition, it has CE and recycling certificates, guaranteeing its quality and commitment to the environment.
