Description

The MANILVA series Wall Clock in BEECH color is an elegant and functional piece for any interior space. Made of polycarbonate and glass, this watch features a timeless design with a monochromatic finish that highlights the numbers and hands for easy reading of the time from any angle. With Quartz technology and silent operation, the hands have a continuous movement that guarantees precision in time. It works with 1 AA alkaline battery (not included) and has dimensions of 55x55x4 centimeters, which makes it a large decorative element that will not go unnoticed on the wall. Recommended for home use, this wall clock is easily installed on a surface and has CE and recycling certificates to guarantee its quality and sustainability. Don't miss your chance to add this uniquely designed clock to your home!
