3000W EDM industrial heater

EDM.

Brand: EDM

Reference: EDM 07098

Industrial heater with great stability and resistance, ideal for well-insulated spaces or occasional use. It has an adjustable thermostat, overheating protector and protection warning switch. With cold air position and two power levels: 1500-3000w. Measurements: 25x32x36cm.

- Power: 1500 - 3000 w
- Type: Industrial heater
- Color: Red/black
- Adjustable thermostat: Yes
- Voltage: 220 - 240 v - 50 hz
- Features: With protection warning switch, overheat protector
- Measurement: 25 x 32 x 36 cm

Description

The industrial heater offers great stability and resistance, ideal for well-insulated spaces or occasional use. It has an adjustable temperature thermostat, overheat protector and protection warning switch to ensure safety. In addition, it has a cold air position and two power levels (1500-3000w) to adapt to your needs. Measuring 25x32x36cm, this heater is easy to transport thanks to its handle. It operates with a voltage of 220-240v-50hz and requires time to reach the optimal operating temperature. In red and black, this heater is an excellent option to keep your spaces warm and comfortable on cold days.

Specifications

EAN	8425998070989
Manufacturer	EDM
Measures	25 x 32 x 36 cm
Power (W)	15003000
