Description

KomaTools Brake Cleaner is a powerful, fast-drying spray designed to clean brake and clutch parts. Its special formula prevents brake squeal and prevents clutch slippage, ensuring optimal performance on the road. With a 360° valve, it can be used in all positions, facilitating its application in hard-to-reach areas. With a capacity of 600ml, this Koma Tools product is the perfect solution to keep your braking and clutch systems in perfect condition.

- Powerful, quick-drying cleaner
- Prevents brake squeal and prevents clutch slippage
- 360° valve for use in all positions
