The IFAM Normal Arc Padlock 20mm SR20 072000SR is a high-resistance padlock made of tempered and chrome-plated steel. Its extruded brass body and double hook system make it ideal for ensuring the safety of your belongings. It comes with two nickel-plated brass keys and is supplied in a box with a euro hanger for easy storage. With a weight of 0.032 kg and dimensions of 0.975x1.957x1.905 cm, this padlock is compact and easy to transport. The serrated key and different keys provide greater protection against possible theft attempts. Protect your valuables with this durable and reliable lock.
