

## Product sheet

## Rocker Switch 6.5A 250V

Brand: EDM

Reference: EDM 45064

### Rocker Switch 6.5A 250V Black

- High quality rocker switch
- 6.5A current capacity and voltage 250V
- Black design for an elegant appearance
- Easy installation and use
- Perfect for home, office or industrial applications

### Description

The 6.5A 250V Rocker Switch is a high quality and durable electrical component, ideal for use in a variety of applications. With a sleek and modern black design, this rocker switch is not only functional but also adds a touch of style to any project.

6.5A 250V Rocker Switch  
Black design  
High quality and durability  
Perfect for a variety of electrical applications  
Adds a touch of style to any project

### Specifications

|                     |               |
|---------------------|---------------|
| Rated current (A)   | 6.5           |
| EAN                 | 8425998450644 |
| Manufacturer        | EDM           |
| Country of origin   | India         |
| Weight (kg)         | 0, 004        |
| Nominal voltage (V) | 250V          |

may contain errors or omissions and does not replace the manufacturer datasheet.
