Description

20W USB Type-C + USB Adapter: Efficient and Versatile Charging

Discover the 20W USB Type-C + USB adapter, the ideal solution to keep your iOS and Android devices always charged and ready to use. This adapter combines efficiency and versatility, offering multiple charging options to meet all your technological needs. With a 230V power input, this adapter is compatible with a wide range of devices, ensuring fast and safe charging.

The adapter features a USB-C output that provides 5V-3A, 9V-2.22A, and 12V-1.67A, allowing for fast and efficient charging for modern devices that require more power. Additionally, the USB output offers 5V-3A, 9V-2A, and 12V-1.5A, making it perfect for charging older devices or those that don't require as much power. The 5V/3.1A USB-C+USB combo output ensures that you can charge two devices simultaneously without compromising on charging speed.

With a total output power of 20W, this adapter is capable of providing the power needed to keep your

devices running throughout the day. Its compact and sleek design not only makes it easy to carry around, but also fits perfectly into any environment, whether at home, in the office, or while traveling. The 4mm input pins ensure a stable and secure connection, while CE and RoHS certifications ensure that the product meets the strictest safety and environmental standards.

The USB Type C + USB 20W adapter is more than just a charger; it is an essential tool for anyone who relies on their electronic devices in their daily lives. Its ability to quickly charge multiple devices makes it an indispensable accessory for those looking for efficiency and convenience. Don't let your devices run out of power; with this adapter, you'll always be prepared for whatever comes next.

Specifications

High	12, 00
Rated current (A)	3
Width	12, 00
Colour	White
EAN	8425160249540
Manufacturer	ALFADYSER
Long	20, 00
Material	ABS
Weight (kg)	0, 07
Depth	#iREF!
Protection	IP20
Nominal voltage (V)	12V
