## Description

**Onlex 20W USB Type-C Adapter: Fast and Efficient Charging**

The **Onlex 20W USB Type-C Adapter** is the ideal choice for those looking for a fast and reliable charging solution for their mobile devices. Designed to be compatible with both iOS and Android systems, this charger adapts to the needs of any modern user. Its compact and portable design makes it the perfect companion to take anywhere, whether at home, in the office or during your travels.

With a **230V power input**, the adapter offers multiple output options: 5V-3A, 9V-2.22A and 12V-1.67A, ensuring efficient and safe charging for a wide range of devices. The **20W total output power** ensures that your devices are charged quickly, saving you time and keeping you always connected.

The **USB-C charging port** is a key feature of this adapter, as it allows for a more stable and faster connection, optimizing the charging process. Additionally, the **4mm input pins** ensure a secure and stable connection to any power outlet.

Safety is a priority with the Onlex USB Type-C adapter. It complies with **CE and RoHS** standards, ensuring that the product has been manufactured under strict quality and safety regulations. This gives you peace of mind knowing that your devices are protected during the charging process.

Presented in a stylish display case, the adapter is not only functional but is also aesthetically pleasing. Its modern, minimalist design blends seamlessly into any environment, making this adapter a valuable addition to your tech accessory collection.

In short, the **Onlex 20W USB Type-C Adapter** is a versatile, safe, and efficient charging solution designed to meet the demands of today's digital lifestyle.
