Description

STEIN 250mm Button-Type Pliers: Precision and Durable Tool

The **STEIN 250mm Button-Type Pliers** are an essential tool for professionals and DIY enthusiasts looking for quality and efficiency in their projects. These pliers stand out for their **adjustable button system**, which allows quick and precise adaptation to different sizes of pieces, offering unparalleled versatility in daily use.

Made from **forged chrome vanadium steel**, the STEIN button-type pliers guarantee exceptional strength and durability, withstanding the wear and tear of intensive use without compromising performance. This high-quality material ensures that the tool maintains its structural integrity even under the most demanding conditions, making it a long-term investment for any toolbox.

The ergonomic design of the pliers, with a **PVC-lined handle**, provides an optimal grip, reducing hand fatigue during prolonged use. This coating not only improves comfort, but also increases safety, minimizing the risk of accidental slipping that could compromise the accuracy of the work.

- **Length:** 250mm
- **Adjustable system:** Button
- **Material:** Forged chrome vanadium steel
- **Handle:** PVC coated
- **Strength:** High durability
- **Design:** Ergonomic for better grip

The STEIN parrot nose pliers are more than just a tool; they are a reliable ally that makes work easier with precision and efficiency. Their innovative design and top quality materials make them an ideal choice for those who value excellence in every task. With these pliers, every project becomes a simpler and more satisfying experience, ensuring professional results every time.
