PRO lithium brushless grinder 115mm WORGRIP 20V without battery

Brand: WORGRIP

Reference: ALFA 48837

WORGRIP 20V PRO lithium brushless 115mm grinder

The WORGRIP 20V grinder is a powerful and versatile tool, ideal for cutting and grinding jobs. Its brushless motor guarantees efficient and long-lasting performance, while its four speeds allow it to adapt to different materials and tasks. With a compact and lightweight design, it is easy to handle and transport.

- Power: 20V
- Motor: Brushless
- Speeds: 1500/3000/5000/8500 RPM
- Disc diameter: 115 mm
- Metric: M14
- Charger voltage: 230V 50Hz
- Charger not included
- Includes case and accessories
- Weight: 2.22 kg

Description

WORGRIP 20V PRO lithium brushless grinder 115mm

The **WORGRIP 20V grinder** is the ultimate tool for those looking for power and versatility in their cutting and grinding projects. Equipped with a **brushless** motor, this grinder guarantees efficient performance and a long service life, making it a smart investment for professionals and DIY enthusiasts. Its compact and lightweight design, weighing just 2.22 kg, makes it easy to handle and transport, allowing you to work in tight spaces effortlessly.

One of the most outstanding features of the WORGRIP 20V grinder is its ability to adapt to different materials and tasks thanks to its four adjustable speeds of 1500, 3000, 5000 and 8500 RPM. This versatility allows for precise cuts and efficient grinding on a wide variety of surfaces, from metal to wood and plastic. The 115mm disc diameter is ideal for detailed work, while the M14 metric ensures optimal compatibility with a wide range of accessories.

The 230V 50Hz charger voltage ensures fast and efficient charging, although it is important to note that the charger is not included, allowing the user to choose the charger that best suits their needs. The grinder comes with a practical case and accessories, making it easy to store and transport, as well as offering everything you need to start working immediately.

In short, the **WORGRIP 20V grinder** is an essential tool for those looking for quality, durability and performance in their projects. Its brushless motor, together with its ergonomic design and multiple speeds, make it the perfect choice for any cutting and grinding task, offering professional results in every use.

Specifications

Frequency	50
High	29, 00
Width	31, 00
Colour	Grey, Black
EAN	8425160488376
Manufacturer	ALFADYSER
Long	11, 00
Material	Metal/Plástico
Weight (kg)	668, 2
Depth	#iREF!
Nominal voltage (V)	230V
