Pressure washer hose connector

Brand: WORGRIP

Reference: ALFA 46545

Pressure Washer Hose Connector

This hose connector is ideal for ensuring an efficient and long-lasting connection to your pressure washers. Made of high-strength brass, it guarantees a long service life and optimal performance. Compatible with models 46193 and 46194, its design allows for easy installation using a quick-connect system.

- Material: High-strength brass
- Compatibility: Models 46193 and 46194
- Connection: Quick-connect
- Use: Hose connector/splicer
- Durability: High corrosion resistance

Description

Pressure Washer Hose Connector: Efficiency and Durability in Every Connection

Discover the pressure washer hose connector that will transform your cleaning experience. Designed to offer a secure and long-lasting connection, this accessory is the perfect complement to your pressure washers. Made of high-strength brass, this connector not only guarantees a long lifespan, but also ensures optimal performance with every use.

The quality of the material is essential when it comes to pressure washer accessories. The high-strength brass used in this connector provides excellent durability and high resistance to corrosion, meaning you can rely on its performance even in the most demanding conditions. In addition, its compatibility with models 46193 and 46194 makes it a versatile choice for different equipment.

One of the most outstanding features of this hose connector is its quick-connect system. This innovative design allows for easy and quick installation, saving you time and effort. You no longer have to worry

about complicated connections or additional tools. Simply plug in and start enjoying efficient, uninterrupted cleaning.

- **Material:** Heavy duty brass
- **Compatibility:** Models 46193 and 46194
- **Connection:** Quick plug
- **Usage:** Hose connector/splicer
- **Durability:** High corrosion resistance

Using this hose connector not only improves the efficiency of your pressure washers, but also extends the life of your equipment by ensuring a stable, leak-free connection. Ideal for those looking for quality and performance, this connector is a smart investment to keep your pressure washers running at their best. Enhance your cleaning experience with an accessory that combines advanced technology and premium materials.

Specifications

High	2, 00
Width	5, 00
Colour	Latón
EAN	8425160465452
Manufacturer	ALFADYSER
Long	2, 00
Material	Latón
Weight (kg)	0, 077
Depth	#iREF!
