Description

WORGRIP PRO 250W Grass Trimmer: The Ideal Solution for Your Garden

The **WORGRIP PRO 250W Grass Trimmer** is the perfect tool for those looking to keep their garden spotless with minimal effort. Designed to offer power and comfort, this grass trimmer becomes an indispensable ally for the care of your lawn and garden edges.

With a **power of 250W**, the WORGRIP PRO guarantees optimal performance with every use. Its heavy-duty motor allows it to reach a **cutting speed of 11,000 rpm**, ensuring precise and efficient cuts. In addition, its **230 mm cutting width** makes it easy to work in large areas, reducing maintenance time.

The ergonomic design of the WORGRIP PRO is one of its greatest attractions. Its **3-part folding body** not only allows for easy storage, but also makes it easy to transport. The **front auxiliary handle** and **ergonomic main handle** provide a comfortable grip, reducing fatigue during prolonged use.

The **230 V ~ 50 Hz connection** ensures stable and efficient operation, while the **1.4 mm nylon cable diameter** offers durability and strength, ideal for demanding jobs. In addition, the **built-in cable ties** keep the cable tidy and secure, avoiding tangles and accidents.

With a **35 cm cable length**, the WORGRIP PRO offers the flexibility to move freely around the garden. This trimmer is the perfect combination of power, efficiency and comfort, designed to make maintaining your green space easier. Discover the difference that WORGRIP PRO can make in your garden and enjoy a well-kept lawn.
