Description

WORGRIP PRO 550W Grass Trimmer

The **WORGRIP PRO 550W Grass Trimmer** is the ideal solution for those looking to keep their garden looking impeccable with minimal effort. Equipped with a 550W motor, this grass trimmer offers exceptional power that guarantees precise and efficient cutting. Its cutting speed of 10,000 rpm allows you to tackle even the most demanding tasks with ease, ensuring a professional finish every time.

One of the most outstanding features of the WORGRIP PRO 550W is its ergonomic design. The ergonomic top handle and multi-position front grip provide optimal control and comfort during use,

reducing fatigue during long work sessions. In addition, its adjustable telescopic shaft between 95 and 130 cm adapts to the user's height, allowing for a more comfortable and personalized working posture.

The WORGRIP PRO 550W's 300 mm cutting width ensures that you can cover large areas in less time, while the adjustable cutting angle allows you to reach those difficult corners with ease. The 5.5 m nylon cable length offers great freedom of movement, avoiding constant interruptions to change sockets.

With a 230 V ~ 50 Hz connection, this trimmer is compatible with most standard power sockets, making it practical and easy to use in any home. In addition, the built-in cable ties are a detail that adds convenience, allowing for neat and safe storage of the 35 cm cable when not in use.

The **WORGRIP PRO 550W Grass Trimmer** is not only a powerful tool, but also versatile and easy to handle. Its intuitive design and advanced features make it an excellent choice for any garden enthusiast looking for professional results without complications.
