Description

KÜKEN 60W Battery-Powered Orange Juicer: Innovation and Convenience in Your Kitchen

Discover the convenience and efficiency of the **KÜKEN 60W Battery-Powered Orange Juicer**, a device designed for those who value the freshness and natural flavour of citrus fruits. This juicer is the perfect solution for enjoying fresh orange, lemon and mandarin juice anytime, anywhere. Its cordless design, thanks to its 2600 mAh rechargeable lithium battery, makes it an indispensable ally in the modern kitchen.

With a power of 60W, the KÜKEN juicer guarantees optimal performance, extracting every last drop of juice from your favourite fruits. Charging via USB-C, with cable included, ensures that it is always ready to use, without complications. In addition, its juicer cone with pulp-collecting filter allows you to obtain a clean, residue-free juice, ideal for those who prefer a smooth, lump-free drink.

The juice outlet spout with a drip-free lid is a standout feature that prevents spills and keeps your kitchen spotless. The lid with a concave to squeeze the fruit facilitates the extraction process, ensuring that each piece of fruit is juiced efficiently. The KÜKEN juicer's detachable parts make cleaning quick and easy, saving time and effort.

This juicer is not only functional, but also brings a touch of elegance to your kitchen with its modern and stylish design. It is an excellent addition for those looking to combine technology and practicality in their home. With the **KÜKEN 60W battery-powered orange juicer**, enjoying fresh, natural juice has never been so easy and convenient. Experience the difference and transform your daily routine with this innovative product.
