Description

STEIN CR-V Mini Ratchet Set 38 Pieces - Versatile and Durable Tool

The **STEIN CR-V Mini Ratchet Set** is the perfect choice for those looking for a compact and efficient tool. Designed to meet the needs of both DIY enthusiasts and professionals, this set offers an ideal combination of functionality and durability. Made from Chrome Vanadium steel, known for its strength and longevity, this set guarantees optimal performance even under the most demanding conditions.

One of the most outstanding features of this set is its **1/4" mini ratchet wrench**, which allows for comfortable and precise handling in tight spaces. Along with it, **11 hex sockets** are included, ranging from 4mm to 12mm, providing a wide range of options for different tasks. Additionally, the set features **24 25mm screwdriver bits**, making it a versatile tool for any DIY project.

The phosphate finish on the Chrome Vanadium steel not only adds a layer of protection against

corrosion, but also improves the durability of the product, ensuring that each piece maintains its integrity over time. This detail is crucial for those looking for tools that offer consistent and reliable performance.

Presentation in an **organiser case** is another key benefit of this set. This case not only makes it easy to store and transport the tools, but also allows each piece to be kept in its place, preventing loss and ensuring that it is always ready for use. The efficient organisation of the case allows for quick and easy access to each component, optimising work time.

In short, the **STEIN CR-V Mini Ratchet Set** is a smart investment for any toolbox. Its combination of quality, versatility and compact design makes it an indispensable ally for any DIY or repair task. With this set, every project becomes a simpler and more efficient experience.
