Description

KORPASS LED Headlamp 3W COB: Powerful and Versatile Lighting

The **KORPASS LED Headlamp** is the ideal companion for those who enjoy outdoor activities or need a reliable lighting solution in low-light conditions. With its powerful 3W COB LED, this headlamp offers clear and long-lasting illumination, ensuring that every corner is well lit. Designed with comfort in mind, its ergonomic structure and adjustable strap allow for prolonged use without discomfort, perfectly adapting to any head size.

One of the most outstanding features of this flashlight is its **long-lasting LED**, with a lifespan of up to 100,000 hours, ensuring that it will be ready for any adventure or task that comes its way. Additionally,

its three-mode switch (100%, 50%, and strobe) provides the flexibility to adjust the light intensity to suit the situation, whether it's for a night hike, home repair, or an emergency.

The **TYPE-C cable recharge** is another significant advantage, allowing for fast and efficient charging in just 45 minutes. This ensures that the flashlight is always ready for use, eliminating the worry of running out of battery at crucial moments. The included charging cable makes this process even easier, making the KORPASS a practical and modern choice.

Presented in a stylish display box, the KORPASS LED Headlamp is not only functional, but also a perfect gift for adventure and DIY enthusiasts. Its compact and lightweight design makes it easy to carry, while its sturdiness ensures optimal performance in any environment. With the KORPASS, darkness will never be an obstacle.
