Description

Round LED Panel Surface White 300mm 24W CCT

Discover the perfect solution to illuminate your interior spaces with the **Round LED Panel Surface White 300mm 24W CCT**. This LED panel combines energy efficiency and a modern design, ideal for any environment. With its color temperature adjustment capacity, you can customize the lighting to your needs, creating warm or cool atmospheres with ease.

With a **power of 24W**, this LED panel offers powerful and uniform lighting, ensuring that every corner of your space is well lit. Its **installation voltage of 180-240V** and the **included driver** guarantee a simple and safe installation. Additionally, its **instant electronic ignition** provides light instantly, eliminating waiting times.

The **beam angle of ≥120º** ensures wide light coverage, ideal for large rooms or open spaces. Made from high-quality materials such as **ABS and PS**, this LED panel is durable and resistant, offering a **lifespan of up to 30,000 hours**. This means fewer replacements and significant savings in the long term.

One of the most notable features is its **CCT temperature selector**, which allows you to choose between 6500K, 4000K and 3000K. This versatility allows you to adapt the lighting to different times of day or activities, from a cool white light for detailed tasks to a warm light for moments of relaxation.

With a **2-year warranty**, you can be sure of the quality and reliability of this product. Designed for **indoor use** with an **IP20** rating, it is perfect for homes, offices or any space that requires efficient and stylish lighting. Enhance your environment with the 300mm 24W CCT White Surface Round LED Panel and enjoy lighting that suits your lifestyle.

Specifications

Frequency	50/60
High	30, 00
Width	30, 00
Opening angle	120
