Description

White 500mm 40W CCT Round Surface LED Panel

Discover the perfect solution to illuminate your interior spaces with the 500mm 40W CCT White Round Surface LED Panel. This LED panel combines energy efficiency and modern design, offering uniform, high-quality lighting that transforms any environment. With its 40W power, this panel is ideal for those looking for powerful and economical lighting.

The Round LED Panel is designed to be easily installed in any interior space, thanks to its 180-240V installation voltage and the included driver. Its instant electronic ignition ensures that the light is

activated instantly, without delays or flickering, providing a fluid and continuous lighting experience.

With an opening angle of ≥120º, this LED panel ensures wide light coverage, ideal for illuminating large areas evenly. Made from high-quality materials such as ABS and PS, this panel is durable and sturdy, ensuring a long lifespan of up to 30,000 hours.

One of the most outstanding features of this LED panel is its CCT temperature selector, which allows you to choose between 6500K, 4000K and 3000K. This versatility allows you to adjust the color temperature according to your needs, creating warm, neutral or cool environments depending on the occasion.

The White Surface Mounted Round LED Panel is perfect for indoor use, with an IP20 protection rating that makes it ideal for homes, offices, shops and more. Plus, it comes with a 2-year warranty, providing peace of mind and confidence in your investment.

Opt for efficient and stylish lighting with the White Surface Mounted Round LED Panel 500mm 40W CCT, and transform your spaces with quality light.

Specifications

Frequency	50/60
High	51, 00
