**Panel LED round surface 18W
3000-6500K black 230mm**

Brand: MATEL

Reference: ALFA 25199

**Round LED Panel Surface Black 18W CCT**

This round LED surface panel in black offers efficient and versatile lighting for interiors. With a modern and functional design, it is Ideal for various environments, providing instant start-up and high light output.

- Power: 18W
- Installation voltage: 180-240V (driver included)
- Opening angle: $\geq 120^\circ$
- Material: ABS + PS
- CCT temperature selector: 6500K, 4000K, 3000K
- Average lifespan: up to 30,000 hours
- Warranty: 2 years
- Protection rating: IP20 (indoor use)

[View product online](#)**Description****Round LED Panel Surface Black 18W CCT**

The **Round LED Panel Surface Black 18W CCT** is the perfect solution for those looking for modern and efficient lighting in their interior spaces. With an elegant and minimalist design, this LED panel easily integrates into any environment, from offices to homes, offering a clear and uniform light that improves the aesthetics and functionality of the space.

With a **power of 18W**, this LED panel guarantees a **high light performance** while maintaining a low energy consumption, which translates into savings on the electricity bill. Its **beam angle of $\geq 120^\circ$** ensures wide light coverage, eliminating shadows and providing homogeneous lighting throughout the room.

The **CCT temperature selector** is one of the most notable features of this panel, allowing you to choose between **6500K, 4000K and 3000K** depending on the needs of the moment. This offers the flexibility to adapt the lighting to different activities, from a cold light for tasks that require concentration, to a warm light to create a cozy atmosphere.

Made from high-quality materials such as **ABS and PS**, this LED panel is durable and resistant, guaranteeing an **average lifespan of up to 30,000 hours**. In addition, it has an **IP20 protection rating**, making it ideal for indoor use, protecting it against dust and other elements.

The **18W CCT Black Surface Round LED Panel** includes a **driver** that facilitates its installation in a **voltage range of 180-240V**. With a **2-year warranty**, this product offers peace of mind and confidence in your investment, ensuring optimal performance for a long time. Improve your spaces with efficient and versatile lighting that adapts to your daily needs.

Specifications

Frequency	50/60
High	23, 00
Width	23, 00
Opening angle	120
Energy classification	F
Colour	Black
Cri (Ra)	80
Driver included	Yes
EAN	8425160251994
Manufacturer	ALFADYSER
Long	00, 3
Material	ABS/PS
Measures	Ø23cm
Weight (kg)	0, 513
Battery included	No
Depth	#iREF!
Protection	IP20
Adjustable	Yes
Nominal voltage (V)	230V
Colour temperature	3000K/4000K/6500K
Estimated life (h)	30000
